Solutions for Coordinators and Partners

EFAMT® is a clever internet based application where you (and your project partners) can easily manage all costs related your Framework Programme project.

The screenshot shows the EFAMT web application interface. At the top, it displays the user's login information: 'You are logged in as: John Schmidt - Test (Log Out)' and 'Project title: Test Project'. Below this, there are navigation icons and a 'Select Reporting Period' dropdown menu set to '1 RPI : 1.3.2007 - 28.2.2008' with a currency selector set to 'EUR'. The main section is titled 'Form C - Model of Financial Statement per Activity (to be filled by each contractor)'. It contains several data entry fields:
