Work from anywhere

EFAMT® is an internet based solution and allows access from anywhere with your username and password.

Good value for money

For approximately the value of two working hours per month, the reporting difficulties are practically eliminated.

Do you think ...

- ... there are too many **rules**?
- ... too much time is wasted on preparing **reports**?
- ... **time** is precious?
- ... **bureaucracy** is unlimited?

We do.

And that is why we have created **EFAMT® Grant Wizard**.

A clever automated internet based application where you can easily manage all costs related to the grant funded projects.

- Simple input within seconds and clear overview. All in accordance with grant funding rules & ready for printing.
