

The Conference "Research Connection 2009", organised by the European Commission in Prague on 7th and 8th of May and will host entrepreneurs, innovators and scientists from all over Europe.

RR & CO. Knowledge Centre Ltd. is responsible for moderating and presenting Forum 6, which is focused on *Managing finances and reporting in grant funded projects* - main issues and best practice will be presented.

"Research Connection 2009" is the largest European research event of the year. The entrepreneurs, innovators and researchers will have the access to new knowledge and advice on EU projects in the field of research and innovation. The conference is also a good opportunity to get new ideas and meet reliable partners for EU projects.

The conference will focus on issues within the following programmes:

- **7th Framework Programme (FP7),**
- **Structural Funds,**
- **Competitiveness and Innovation Framework Programme (CIP).**

Programme offers many opportunities and available through:
